Hot Stamping Guidelines

- Different products do combine for quantity discounts as long as the same die and foil are used. If a different die or foil color is used, it will be considered a separate job.
- Artwork must be supplied in black on a white background; must be "to size" in PDF, Adobe Illustrator or Vector format. Specify instructions and logo size for placement. Two color imprints must have 1/4" between colors (alignment can vary from piece to piece).
- Logos with very fine detail may not stamp well. Avoid reverse outs, fine lines, half tones and borders. Logos with heavy coverage may not fill completely.
- Not all pigment foils adhere to Euro-tote bags.
- Logos must be positioned at least 1" below handle. (For best results avoid folds on bags).
- Allow up to 5% shortage for the hot stamp set up and run process.
- Rush Service available for a 25% up-charge.
- A digital proof will be provided for each job for customer approval.
- A press proof, which is an actual bag or box hot-stamped, is available for a \$50.00 charge per color, per size, plus the cost of the die.

\$101.25	\$135.00	\$0.11	\$0.24	\$0.09	\$0.22

The Ink Printing cost is in addition to the product cost

Ink Printing Colors

For other colors not listed, there will be an additional \$115.00 ink charge. Call for color availability.

Ink colors subject to color variation

- Different products do combine for quantity discounts as long as the same plate and ink are used. If a different plate or ink color is used, it will be considered a separate job.
- Artwork must be supplied in black on a white background; must be "to size" in PDF, Adobe Illustrator or Vector format. Specify instructions and logo size for placement. Two color imprints must have ½" between colors (alignment can vary from piece to piece).
- Logos with very fine detail may not print well. Avoid reverse outs, fine lines, half tones and borders. Logos with heavy coverage may not fill completely.
- Logos must be positioned at least 1" below handle. (For best results avoid folds on bags).
- Allow up to 5% shortage for the printing set up and run process.
- Rush Service available for a 25% up-charge.
- A digital proof will be provided for each job for customer approval.
- A press proof, which is an actual bag or box ink printed, is available for a \$60.00 charge per color per size, plus the cost of the plate.
- Euro-tote bags, gloss coated bags, and any Rose size bag(5¼x3½x8¼) cannot be ink printed.
